and listen to the stories
of those involved

Recognising and preventing the grooming of children and vulnerable adults from committing criminal acts.

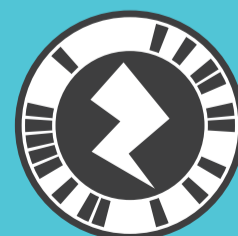

Trapped? Find a way out

Watch our short film

These vulnerable people should be considered victims not criminals

Trapped is a Challenger initiative to raise awareness of the threat to young people and vulnerable adults exploited and groomed by criminal gangs to commit crime. Known nationally as 'County Lines' Children as young as 12 are being ruthlessly groomed and exploited by organised crime groups who send them the length and breadth of the country to carry guns, drugs and money.
